FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Dear Ms. Salas:

This is to advise that MRFAC, Inc., Marvin W. McKinley, MRFAC's President, and other MRFAC representatives met with D'wana Terry and Herb Zeiler, Chief and Deputy Chief respectively, of the Public Safety and Private Wireless Division, regarding the above referenced proceedings.

MRFAC's position is a matter of record in these proceedings. Among other things, MRFAC representatives noted that the Commission should give further attention to the mechanics of narrow band conversion in order to avoid the waste of adjacent channels. Further details concerning these matters are set forth in MRFAC's filings with the Commission.

An original and three copies of this letter is supplied for inclusion in the dockets.

Sincerely,

William K. Keane
