Date: 9/6/98 11:10am
Subject: Comments to Commissioner Ness

Greg Russo (susanr@mediaone.net) writes:

Don't cut off the best news program there is Cspan 1&2.
Don't cut off access to news that we don't get any where else.
This is all about politics right nothing more or less.
Cspan increases participation, not decrease it. FCC Should have this principle.
