FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

From: Robert Jacob Cullen <proniceguy@aol.com>
To: A7.A7(NETMSGs)
Date: 10/1/98 9:06pm
Subject: Comments to Commissioner Ness

Robert Jacob Cullen (proniceguy@aol.com) writes:

I live in the southeast Houston area (near Pasadena). I receive very poor signals from the Networks NBC and PBS and CBS, FOX, ABC, UPN, and WB have marginally acceptable pictures. I would like my satellite service provider to be allowed to deliver those signals. Please do whatever it takes to make this possible.
