ORDER

Issued: October 9, 1998 ; Released: October 13, 1998

The parties have represented to the Presiding Judge that they have reached a complete settlement of this proceeding.¹ However, the settlement will require the preparation and execution of a large number of very detailed documents, and some of those documents must be reviewed and executed by non-parties. In this connection, the parties have further represented that the preparation and execution of all necessary documents can be completed by October 28, 1998, and that a joint request for approval of settlement agreement can be filed with the Commission by November 4, 1998.

Accordingly, IT IS ORDERED that, in the event the parties fail to file their joint request for approval of settlement agreement on or before November 4, 1998, the hearing in this proceeding SHALL COMMENCE on November 16, 1998, at 9:30 a.m., in the Commission's Washington, D.C., offices.

FEDERAL COMMUNICATIONS COMMISSION

Arthur I. Steinberg
Administrative Law Judge

¹ The settlement is contingent upon a final draft of the settlement agreement being acceptable to the Wireless Telecommunications Bureau.
