Re: Notice of Ex Parte meeting

GTOC Trans. No. 1148

In the matter of Access Charge Reform, Price Cap Performance Review for LECs, Transport Rate Structure and Pricing, Usage of the Public Switched Network by Information Service and Internet Service Providers, CC Docket Nos. 96-262, 94-1, 91-213, and 96-263.

Dear Ms. Roman Salas:

On Friday, October 30, 1998, I discussed the referenced proceedings with Paul Gallant, Legal Advisor to Commissioner Gloria Tristani. We discussed AT&T's concern that Commission action in connection with the referenced tariff transmittal not undermine existing compensation and interconnection arrangements in connection with the exchange of ISP traffic. We also discussed the relationship of these matters to access reform issues.

Two copies of this Notice are being submitted to the secretary of the FCC in accordance with Section 1.1206(a)(1) of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Call".

cc: Paul Gallant
