Docket: 98-201

Number of Files Transmitted: 1

File Name COMMENT

File Type Microsoft Word

File Size (bytes) 84481

The NPRM states: If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each docket or rulemaking number referenced in the caption.

So we attempted to file the same file using RM 9335 & RM 9345, but each time the screen says, "The Preceeding entered in field 1 is not available for ECFS.

Please, if the NPRM is correct and copies are to be also filed with/under RM 9335 & RM 9345, make sure copies are included in/with both files.
