Re: CC Docket 94-102, ex parte communication per 47 C.F.R. §1.1206

Dear Madame Secretary:

On Monday, November 23, 1998, the following persons met with the Chairman's Legal Advisor, Ari Fitzgerald, to discuss wireless 9-1-1 call completion:

Joe Hanna and Bob Gurs, both representing APCO;

Bob Miller and Jim Hobson, representing NENA;

and John Melcher, representing both organizations.

We discussed the previously recorded views of APCO and NENA on the modified "strongest signal" proposal of the Ad Hoc Alliance and on "automatic A/B roaming" as an alternative means of assuring that 9-1-1 calls can be completed on either the A-side or the B-side cellular carrier.

Please direct any questions to the undersigned.

Sincerely,

A handwritten signature in black ink that reads "James R. Hobson". The signature is fluid and cursive, with a large initial "J" and "H".

James R. Hobson
Counsel for NENA

cc: Ari Fitzgerald
