Federal Communication Commission
1919 M St., N.W. Room 222
Washington, DC 20554

Dear Ms Sales:

In the matter of WT Docket 98-143, I would like it to be known that I support the license restructuring proposals of the ARRL. Specifically, I would like to see the General license code requirement reduced to 5WPM and the code portions of the ham bands made open to Technician licensees below 200W output.

Thank you.

Sincerely,

Don Merz, N3RHT
