Re: Ex Parte: Telephone Number Portability - CC Docket No. 95-116

Dear Ms. Salas:

This letter shall serve as notification that on December 11, 1998, Charon Harris of GTE Wireless and May Chan of GTE Service Corporation made an ex-parte presentation to Ari Fitzgerald, Legal Advisor to Chairman Kennard, regarding wireless number portability in the above-captioned proceeding. The purpose of the meeting was to discuss GTE's position regarding wireless number portability, consistent with comments we filed in this proceeding. In addition, we talked about the relationship between wireless number portability and the nation's numbering resources. GTE urges the Commission to dissociate wireless number portability from number conservation and evaluate each matter on its own merits.

Please include a copy of this notification into the record of this proceeding in accordance with Section 1.1206 of the Commission's rules concerning ex parte communications. If there are, any questions regarding this matter please contact the undersigned.

Sincerely,

May Chan

cc: Ari Fitzgerald, Legal Advisor to Chairman Kennard
