Re: Notice of Ex Parte Meeting: In the Matter of Applications for Transfer of Control to AT&T Corp. ("AT&T") of Licenses and Authorizations Held by Tele-Communications, Inc. ("TCI"), CS Docket No. 98-178.

Dear Ms. Roman Salas:

On Wednesday, December 16, 1998, I met with Robert Pepper, Chief of the Office of Plans and Policy. During the meeting, I discussed narrowband and broadband access to Internet and online services providers. I further explained the substantial disincentive to AT&T's and TCI's investment in broadband plant that would result from the imposition of common carrier obligations on that plant. The discussion on all these issues reflected data and arguments presented in AT&T's filings.

Two copies of this Notice are being submitted in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

James W. Cicconi (BJB)
