Dear Ms. Salas:

Rick Whitt and Bradley Stillman of MCI Worldcom along with Kathleen Cantrell and John Riedel of MCI WorldCom's UUnet subsidiary met today with John Beresford of the Common Carrier Bureau regarding MCI Worldcom's DSL deployment plans.

The information discussed included roll out of business and consumer services through 1999 and the company's experience locating DSL ready central offices among the ILECs and CLECs across the country. No written materials were provided to Mr. Beresford.

Very truly yours,

Bradley Stillman
