

I recently posted two comments regarding FCC proceedings via your electronic system. One of the two was misfiled as applying with the other. They were supposed to apply to 98-205 (Ref. NPRM 98-308) and 94-102. Both are now found under 94-102. The first paragraph of the misfiled one references NPRM 98-308. This comment should be refiled under 98-205.
