Re: **EX PARTE**

**WT Docket No. 98-229**

Dear Ms. Salas:

Pursuant to Section 1.1206 of the Federal Communications Commission's ("Commission") rules, 47 C.F.R. § 1.1206, this letter will notify you that representatives of Lockheed Martin IMS ("LMIMS"), Michael Dorrian, Mark Foster, Jeffrey Ganek, Tom McGarry, William Schwebel, Barry Bishop, Joseph Franlin, and Ron Connors, met on Friday, Wednesday 20, 1999 with Alan Hasselwander of the North American Numbering Council ("NANC"), and Kris Monteith, Jeannie Grimes, and Jared Carlson of the Commission.

The purpose of the meeting was to discuss the NANC report on number optimization approaches, as well as, NANPA transition and administrative staffing statuses, and the performance to date of the NPAC system and the timelines of future NPAC software releases. Although the purpose of the meeting was not related to the above-captioned proceedings, because aspects of the discussion possibly could be construed to relate to issues in those proceedings, the staff requested LMIMS to submit this Ex Parte notification for the record.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), LMIMS electronically is submitting one copy of this letter for each of the above-captioned proceedings.
