Re: **EX PARTE**
CC Docket No. 92-237
WT Docket No. 98-229

Dear Ms. Salas:

Pursuant to Section 1.1206 of the Federal Communications Commission's ("Commission") rules, 47 C.F.R. § 1.1206, this letter will notify you that representatives of Lockheed Martin IMS ("LMIMS"), Michael Dorrian, Mark Foster, Jeffrey Ganek, Tom McGarry, William Schwebel, and Ron Connors and the undersigned, met on Friday 29, 1999 with Alan Hasselwander of the North American Numbering Council ("NANC"), Yog Varma, Blaise Scinto, Kris Monteith, Jeannie Grimes, Anna Gomez, Les Selzer and Patrick Forster of the Common Carrier Bureau and David Furth of the Wireless Telecommunications Bureau.

The purpose of the meeting was to discuss the NANC report on number optimization approaches issued October 21, 1998. Although the purpose of the meeting was not related to the above-captioned proceedings, because aspects of the discussion possibly could be construed to relate to issues in those proceedings, the staff requested LMIMS to submit this *ex parte* notification for the record.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), LMIMS electronically is submitting one copy of this letter for each of the above-captioned proceedings.
