Re: **EX PARTE**
CC Docket No. 92-237
WT Docket No. 98-229

Dear Ms. Salas:

At the request of FCC staff, Lockheed Martin IMS ("LMIMS") submits copies of the attached presentation slides in the above-referenced proceedings. The presentation, addressing issues raised by the NANC report on number optimization approaches issued on October 21, 1998, was made on Friday, January 29, 1999, by representatives of LMIMS to the North American Numbering Council, the Common Carrier Bureau and the Wireless Telecommunications Bureau. A list of the participants was submitted by LMIMS in its *ex parte* notice letter filed February 1, 1999 in the above-referenced proceedings.

Although the purpose of the meeting was not directed to the above-referenced proceedings, the staff, concluding that aspects of the presentation could be construed to relate to issues in those proceedings, requested LMIMS to submit copies of the attached presentation slides for the record. In addition, as requested by the staff, LMIMS has made minor clarifying modifications to a few of the slides presented at the meeting.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), LMIMS is submitting an original and one copy of this letter and attachments for each of the above-captioned proceedings.
