Date: February 9, 1999

I support the Petition for Stay filed by The Personal Radio Steering Group, Inc., P. O. Box 2851, Ann Arbor, Michigan, 48106, dated January 13, 1999.

It appears that there are numerous errors in the various FCC filings relating to this docket that require the STAY to be granted so that these errors can be corrected and published to the required user community allowing the proper time for comments.

I request that you STAY implementation of this docket.
