RE: Ex Parte Comments CS 98-178

Dear Commissioners:

The City of Wilsonville urges the Federal Communications Commission (FCC) to impose an equal access requirement on broadband cable lines into the home of consumers as a condition of any final FCC approval of the TCI and AT&T merger.

This action by the FCC is urgently needed to clarify and assure the Federal authority of localities to impose such a condition in situations where state and/or local law currently requires local government approval of a change in the franchise agreement.

Sincerely,

A handwritten signature in black ink that reads "Dave Kanner". The signature is fluid and cursive, with the first name "Dave" being particularly prominent.
