Re: **Notice of Ex Parte Presentation** in CC
Docket 96-98, Implementation of the
Local Competition Provisions in the
Telecommunications Act of 1996

Dear Secretary Salas,

On February 4, 1999, Ruth Milkman, Rick Brecher, Cronan O'Connell and I, representing the Association for Local Telecommunications Services, met with Jake Jennings, Michael Pryer, Claudia Fox and Don Stockdale of the Common Carrier Bureau to discuss the actions that the Commission might take with respect to the Supreme Court's vacating of the Commission's Rule 51.319. We discussed the need for quick Commission action to review the list of unbundled network elements, the need for nationwide rules, wherever possible, and some general considerations that the Commission should take into account in reviewing the "necessary" and "impair" standards in accordance with the Supreme Court ruling.

Should you have any questions regarding this matter, please contact me at 969-2585. An original and one copy of this letter is being submitted to you for inclusion in the public record.

Sincerely,

Emily M. Williams
