Re: Docket: RM-9419.

Dear Sirs,

I am in favor of Rulemaking RM-9419 Petition for the proposal to allow FM translators to rebroadcast AM stations.

My reasoning is that our city has grown to the point that the directional antenna, at night, does not cover the city/valley area as good as it could.

With all of the frequencies taken in our city, would the FCC take back some of the translators now serving Salt Lake City from outside stations?. Somthing to think about.

Sincerely Yours,

Ralph J. Carlson, President.
