Re: Ex Parte Presentation in CS Docket No. 96-83, CS Docket
No. 97-151, /CC Docket No. 98-147 and CCB/CPD 98-63

Dear Ms. Salas:

During the course of a meeting yesterday with Thomas Sugrue, Robert Calass, and Kathleen Ham of the Wireless Telecommunications Bureau, David Turetsky and Terri Natoli of Teligent, Inc. discussed issues relating to telecommunications carrier access to multi-tenant environments ("MTEs"). In addition, Mr. Turetsky and Ms. Natoli reiterated the points made in Teligent's written comments in CCB/CPD 98-63. Mr. Turetsky and Ms. Natoli provided the WTB participants with copies of all Teligent's substantive filings with the Commission in various dockets relating to the access issue, as well as other documents mentioned below. I am filing this notice of ex parte presentation in those dockets that remain open through which Teligent has suggested a resolution of this issue might be achieved.

In accordance with the Commission's rules, for each above-mentioned docketed proceeding, I hereby submit to the Secretary of the Commission two copies of this notice of Teligent's ex parte presentation as well as copies of: (1) a summary of the means by which the Commission could accomplish MTE access as well as its jurisdiction to do so; (2) a transcript of a speech by David Turetsky presented to the 1997 Summer NARUC Convention; (3) a copy of the 1998 NARUC Resolution Regarding Nondiscriminatory Access to Buildings for Telecommunications
