WTB Docket No. 98-181

MEMORANDUM OPINION AND ORDER

Issued: February 16, 1999 ; Released: February 17, 1999

1. Under consideration is the Joint Motion To Deem Matters Admitted filed February 5, 1999 by the Association for East End Land Mobile Coverage, LMR 900 Association of Suffolk and NY LMR Association (Associations).
2. The Associations move pursuant to Section 1.246 (b) of the Commission's Rules that the genuineness of the documents identified in the Associations' Request to the Wireless Telecommunications Bureau (Bureau) for Admissions be deemed admitted.
3. The Bureau argues that the Associations' Motion is an improper pleading in that Section 1.246 of the Commission's Rules does not provide an opportunity for objections to a party's determination it can neither admit nor deny requested admissions. The Bureau's position is correct.

Accordingly, the Associations' Joint Motion To Deem Matters Admitted filed February 5, 1999 IS DENIED.
