Re: Revision of the Commission's Rules to Ensure
Compatibility with Enhanced 911 Emergency Calling
Systems, CC Docket No. 94-102.

Dear Ms. Salas:

On February 24, 1999 Michael Amarosa, David Don and I, on behalf of TruePosition, Inc., met with John Cimko, Jr. and Nancy Boocker of the Commission's Wireless Telecommunications Bureau. The discussion centered on the Bureau's Public Notice of December 24, 1998 and the Commission's desire to maintain a technology neutral policy while promoting the public safety benefits of wireless E911.

In accordance with the Commission's rules, we are submitting two copies of this letter.

Sincerely,

Philip L. Verveer
