Re: CC Docket No. 98-137; ASD 98-81

Dear Ms. Salas:

On March 4, 1999, USTA filed a notice of a written ex parte presentation made in a series of seven meetings with FCC staff on March 3, 1999. Kathy Levitz of BellSouth also attended each meeting; her name was inadvertently left off the list of attendees.

In accordance with Section 1.1206(b)(1) of the FCC's rules, two copies of this notice for each proceeding are being submitted today for inclusion in the records for these proceedings. Please contact me if you have any questions.

Sincerely,

Frank G. McKennedy  
Director - Legal & Regulatory Affairs
