Dear Ms. Salas:

On March 3, 1999, the Paging and Messaging Alliance Council of the Personal Communications Industry Association ("PCIA") met at the Crowne Plaza Hotel in Dallas, Texas. Mr. Ari Fitzgerald, legal advisor to Chairman Kennard, was invited to address PCIA's members during the open portion of that meeting. During Mr. Fitzgerald's comments, members present discussed the importance to their businesses of the above-referenced proceedings, and addressed matters consistent with PCIA's previous public filings in the proceedings. A list of the members present and the companies that they represent is attached hereto.

Although the portion of the meeting during Mr. Fitzgerald's remarks was open to the public, in an abundance of caution, two copies of this letter are hereby filed with the Secretary's office, with additional copies included for each referenced proceeding. Kindly refer questions in connection with this matter to me at 703-535-7482.

Sincerely yours,

Robert L. Hoggarth
Senior Vice President, Paging and Messaging
