Re: Northpoint Technology's Notice of Ex Parte
Presentation Meeting Regarding ET Docket
No. 98-206, RM-9147, RM-9245

Dear Ms. Salas:

Northpoint Technology Ltd. ("Northpoint") hereby submits for filing in the above-referenced docket its notice of a meeting on March 30, 1999. Sophia Collier of Northpoint, Antoinette Cook Bush and Eric C. Broyles of Skadden, Arps, Slate, Meagher & Flom LLP met with Commissioner Harold Furchtgott-Roth and Kevin Martin of Commissioner Furchtgott-Roth's office to discuss the above-referenced Rulemaking proceeding, Northpoint's pending license applications and Northpoint's experimental license (FCC call sign WA2XMY). Ms. Collier presented background information on Northpoint, described the successful testing of the experimental system, and generally provided the Commissioner with an update on Northpoint's progress at the Commission. In addition, Ms. Collier urged the FCC to move expeditiously by granting Northpoint's and its BroadwaveUSA affiliates' pending license applications.

In accordance with Section 1.1206 of the Commission's Rules, the original and one copy of this notice are being filed with the Secretary, and an additional copy is being served on all parties involved.
