WTB Docket No. 98-181

RECEIVED
APR 08 1999
FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

ORDER

Issued: April 1, 1999 ; Released: April 2, 1999

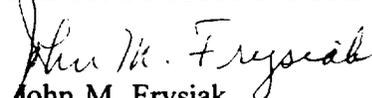

Under consideration are 1) Norcom's Third Motion for Extension of Time filed March 25, 1999 and 2) the Joint Motion For a Further Extension of Time filed March 25, 1999 by the Association for East End Land Mobile Coverage, LMR 900 Association of Suffolk and NY LMR Association ("Associations") filed March 25, 1999.

Petitioners move for the grant of additional time to respond to the Wireless Telecommunications Bureau outstanding discovery requests. Petitioners indicate that they are negotiating with the Bureau for a settlement which, if granted, would obviate the need for further proceedings in this case. The requests are unopposed.

In light of the foregoing the petitioners motions ARE GRANTED and Norcom and the Associations have until April 9, 1999 to respond to the Bureau's discovery requests.

SO ORDERED.
