FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

RE: CC Docket 94-102

Dear Ms. Salas:

This is inform the Commission that Joe Hanna, president-elect of the Association of Public-Safety Communications Officials-International, Inc. ("APCO"), and the undersigned met yesterday with Thomas Sugrue, Chief of the Wireless Telecommunications Bureau, and members of his staff to discuss matters related to the above-referenced proceeding, but excluding items included on the agenda for the Commission's May 13 meeting. We discussed the need for the Commission to re-examine the "cost recovery" requirement in the current wireless/9-1-1 rules, specifically as to whether carriers' costs needed to be included in the cost recovery mechanism. We also suggested that waivers of the Phase II deadline for the purpose of implementing a "handset solution" must be conditioned on carriers meeting very specific implementation schedules.

Please contact the undersigned should you have any questions.

Respectfully submitted,

WILKES, ARTIS, HEDRICK & LANE,
