Re: CS Docket No. 95-178
Ex Parte File

Dear Ms. Salas:

On May 6, 1999, Loretta Polk and Diane Burstein of the National Cable Television Association ("NCTA") met with Anita Wallgren, Legal Advisor to Commissioner Ness. At that meeting, they discussed the potential impact on cable customers of changing from an ADI to DMA standard, and proposed that the Commission adopt rules in the above-captioned proceeding to minimize disruptions to cable customers.

Respectfully submitted,

Diane B. Burstein
