Re: IB Docket No. 95-91
Ex parte presentation

Dear Ms. Salas:

On Friday, June 4, 1999, Steve Berman and I, from this office, and Tarek Abdel-Nabi, all on behalf of XM Satellite Radio ("XM"), met to discuss the use of terrestrial repeaters in the DARS band with the following Commission staffers: Ron Repasi of the International Bureau, Tom Mooring and John Reed of the Office of Engineering and Technology, and John O'Connor and Tom Stanley of the Wireless Telecommunications Bureau. This notice is being filed late because of difficulty in obtaining a complete list of Commission staff in attendance.

Please refer any questions concerning this matter to me.

Very truly yours,

Bruce D. Jacobs
