Dear Ms. Salas:

On June 30, 1999, the Cellular Telecommunications Industry Association ("CTIA") represented by Brian Fontes, Senior Vice President for Regulatory Policy & Administration; Steve Berry, Senior Vice President for Congressional Affairs; Andrea Williams, Assistant General Counsel; and Ed Hall, Assistant Vice President for Technology & Network Operations, met with Julius Knapp, Chief, Policy & Rules Division, Office of Engineering and Technology ("OET"); Gerry Matisse, Deputy Chief, Policy & Rules Division, OET; and Rodney Small, Spectrum Policy Branch, OET, on the Commission's implementation of CALEA.

Specifically, the discussion concerned the status of the proceeding, including a clarification of the punch list items and the necessary data to support a reasonable implementation schedule once the FCC rules in this proceeding.

Pursuant to Section 1.1206 of the Commission's Rules, and original and one copy of this letter are being filed with your office. If you have any questions concerning this submission, please contact the undersigned.
