Re: Request for Waiver of Regulatory Fee

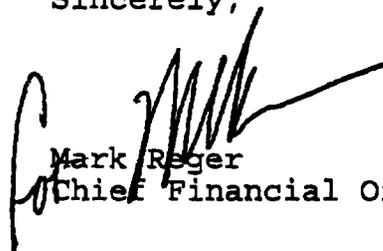

Dear Mr. George:

This is in response to your request for a waiver of the Fiscal Year (FY) 1998 regulatory fee for FM Translator Station W221AG. You maintain that the translators are not licensed to and do not have common ownership with the licensee of a commercial broadcast station, they do not derive any income from advertising, and that the costs of operating the transmitters are supported by contributions from members of the community.

In a letter ruling dated May 27, 1998, the Commission waived the FY 1997 regulatory fee for your translator. At that time you were advised that the waiver would remain in effect until there is an assignment of your license or a substantial change in the financing of your translator service. Please be advised that in light of your representation that there have been no changes in the operation of your translator station, the waiver is still in effect. The waiver shall remain in effect until there is an assignment of your license or a substantial change in the financing of your translator service. You are not required to renew the waiver request as long the operation of the translator is in compliance with the waiver policy.

If you have any questions concerning the waiver, please call the Chief, Fee Section, at (202) 418-1995.

Sincerely,

Mark Reger  
Chief Financial Officer

Fee Paid: \$220

Dear Mr. George:

This is in response to your request for a waiver of the Fiscal Year (FY) 1997 regulatory fee for FM Translator Station W221AG. You maintain that the translator is not licensed to and does not have common ownership with the licensee of a commercial broadcast station, it does not derive any income from advertising, and that the cost of operating the transmitter is supported by contributions from members of the community.

In implementing the regulatory fee program, the Commission indicated that it would waive the regulatory fees for any translator station that:

(1) is not licensed to, in whole or in part, and does not have common ownership with, the licensee of a commercial broadcast station; (2) does not derive income from advertising; and (3) is dependent on subscriptions or contributions from the members of the community served for support.

Implementation of Section 9 of the Communications Act, 10 FCC Rcd 12579, 2762 ¶ 16 (1995).

Based upon your representations, we will waive and refund the FY 1997 regulatory fee. The waiver shall remain in effect until there is an assignment of your license or a substantial change in the financing of your translator service. You should retain this letter, and a copy should be included in any correspondence with the Commission concerning the regulatory fees for W221AG.

A check, made payable to the maker of the original check, and drawn in the aggregate amount of \$220, will be sent to you at the
