Re: The Proposed Global Joint Venture of AT&T Corp. and  
British Telecommunications plc, IB docket No. 98-212

Dear Ms. Salas:

Yesterday, July 9, 1999, Cathy L. Slesinger, Vice President-  
International Government Relations at Cable & Wireless plc, and Albert  
Halprin, a partner in the law firm of Halprin, Temple, Goodman & Maher,  
met with officials of the International and Common Carrier Bureaus regarding  
issues in the referenced proceeding. They discussed concerns C&W has with  
the potential misuse of customer proprietary network information (CPNI) and  
other competitively sensitive information by the proposed international services  
joint venture of AT&T and BT.

Respectfully yours,

*Janice Obuchowski*
