Re: Ex Parte Filing  
PR Docket No. 92-235

Dear Mr. Tenhula:

This is to request an urgent meeting regarding the pending Motion for Expedited Partial Stay filed by MRFAC, Inc. in connection with the Commission's latest Order on re-farming. The Motion (along with a similar request filed by Forest Industries Telecommunications) seeks a stay of that portion of the Commission's Second Memorandum Opinion and Order which imposes a new coordination rule for frequencies below 470 MHz. The Order is scheduled to go into effect August 5. Accordingly, timing with respect to this matter is critical.

We would hope to be able to arrange a meeting with you for this Wednesday or Thursday at the latest.

Please advise as soon as possible as to a convenient time.
