A stated purpose of the current LPFM rulemaking is to significantly increase broadcast diversity. To attain this basic goal, multiple-ownership of LPFM's should NOT be allowed. Local ownership ONLY should be permitted with legal residence of the owner (or majority of the Board of Directors if a non-profit corporation) to be located within 50 miles of the station.

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Lacking this condition, it is clear that well-financed special interests will inevitably dominate the proposed LPFM service.

Sincerely,
Diane M. Dunnam
