Dear Ms. Salas:

This is in response to the recent initiation of the possible proceeding to consider whether to mandate forced entry privileges for telecommunications providers, WT Docket No. 99-217 and CC Docket No. 96-98.

We are a condominium association with 438 units located in a suburban area of the State of New Jersey.

The Board of Trustees of this condominium association is opposed to the possibility of any forced entry bills being passed.

Yours truly,

Catherine J. Kintner
Association Manager
for the Board of Trustees
