FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Dear Mr. Kennard:

It is important that the airways be returned to the people of the United States. I appreciate that the Federal Communications Commission is seriously considering taking a new look at its rules with regard to low power FM (micro radio). I hope this is a first step in demorcanizing the airways as they were originally intended. We need different voices and different viewpoints. We are not getting this with the present system of the media being controlled by a few large corporations.

Thank you.

Sincerely,

Denise D'Anne
