Do a story on this crimmminal "Billy Tauzin Steals Publics Airways With Ed Frits and The NAB"

Congress, And Ed Frits Of The NAB, And Tauzin, Is This Your Standards of Official  
Conduct & Ethics You Will Have To  
Answer

To God And Jesus Christ Not Me !

Dear Honorable Senators:  
Dear Honorable Congressman:  
Dear Chairman Kennard:  
Dear NAB:

I have been informed that Representative W. J. Billy Tauzin is attempting to block the FCC's Notice of Proposed Rule Making (Mass Media Docket No. 99-25) that would allow low power FM radio broadcast stations for neighborhood service.

Mr. Tauzin has stated that he will use his committee to block any funding for the FCC consideration of this NPRM. As one of the original petitioners for this new broadcast service, I am strongly opposed to Mr. Tauzin's action.

Our nation is built on the premise that citizens can make constructive proposals and have them seriously considered by the Federal Government. Mr. Tauzin's action would sabotage this basic premise of American government because it would block the FCC from considering the thousands of submitted comments from citizens requesting this new radio service.

It's what we've got here, right now in the form of Louisiana Congressman Billy Tauzin. He's a republican with who the NAB has in their pocket - His daughter works for them, too.

Because Tauzin happens to be the chairman of the Telecommunications Subcommittee for the powerful House Commerce Committee, the group of those distinguished gentlepeople who directly oversee the FCC. The NAB alerted him to the LPFM NPRM, and as of now he's on a warpath, spewing the party line. His moves could effectively kill the NPRM before the FCC can take another step with it.

Inform Mr. Tauzin to avoid any actions against the FCC.

Thank you for your attention and your help.
