Re: **EX PARTE**
Deployment of Advanced Wireline Services, CC Docket 98-147

Dear Ms. Salas:

On October 6, 1999, Rich Morris, Sprint's Vice President for Local Market Integration, met with Commissioner Harold Furchtgott-Roth and raised the need for clarification of whether property located immediately adjacent to an incumbent local exchange carrier's (ILEC's) central office building is considered to be located at the ILEC's premises. This issue was raised in Sprint's Petition for Partial Reconsideration and/or Clarification of the Commission's *First Report and Order* in CC Docket No. 98-147 that is now pending.

Pursuant to Section 1.1206 of the Commission's rules, Sprint hereby files an original and one copy of this memorandum with the Commission's Secretary.

Respectfully submitted,

James W. Hedlund

cc: Commissioner Harold Furchtgott-Roth
