**WITHDRAWAL AND REQUEST TO SUBSTITUTE CHANNELS**

Mag Mile Media, L.L.C. ("Mag Mile"), licensee of Station KFLG-FM, Bullhead City, Nevada, by its counsel, hereby submits its Withdrawal and Request to Substitute Channels with respect to the Notice of Proposed Rule Making ("NPRM"), DA 99-1676, released August 20, 1999. In support of its position, Mag Mile submits the following.

The NPRM sought comment on the rule making petition filed by Centennial Broadcasting, L.L.C. ("Centennial") proposing the substitution of Channel 274C for Channel 288C2 at Boulder City, Nevada, and the modification of license of Station KSTJ(FM), as well as, *inter alia*, the substitution of Channel 289C for Channel 274C at Bullhead City, Arizona, and the modification of license of Station KFLG-FM. Mag Mile has filed counterproposals that Channel 274C be re-allotted from Bullhead City, Arizona to Dolan Springs, Arizona as that community's

first local service, and that Station KFLG-FM's license be modified accordingly, and that Channel 272A be allotted to Mohave Valley, Arizona.

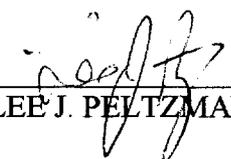

Centennial is today filing Reply Comments in this proceeding which propose that Channel 240A be substituted for Channel 272A at Mohave Valley, and that Channel 289C be substituted for Channel 274C at Dolan Springs ("Centennial's Modified Proposal"). Mag Mile consents to the substitutions as proposed by Centennial and the modification of KFLG-FM's license to Channel 289C at Dolan Springs. Mag Mile therefore withdraws its expression of interest in Channels 274C at Dolan Springs and Channel 272A at Mohave Valley. Attached hereto is a statement from Mag Mile indicating that it has not withdrawn its expression of interest in Channel 272A at Mohave Valley or Channel 274C at Dolan Springs in exchange for any financial consideration, and that neither Mag Mile nor any of its principals has received or will receive any money or other consideration in exchange for the withdrawal of its expressions of interest.

Mag Mile incorporates by reference Centennial's engineering attached to its Reply Comments, which demonstrates that Channel 240A can be allotted to Mohave Valley while meeting the Commission's technical rules and that Channel 289C can be allotted to Dolan Springs while meeting the Commission's technical rules subject to a site restriction. That engineering contains new reference coordinates for Channel 289C which Mag Mile accepts. Mag Mile additionally states that, in the event the Commission allots Channel 289C to Dolan Springs, Mag Mile will file an application for that channel and that community and, upon approval of its application, will implement its grant. Mag Mile further states that, in the event the Commission allots Channel 240A to Mohave Valley, Mag Mile will file an application for that facility and, upon grant, will construct its station.

While Mag Mile has withdrawn its proposals for Channel 274C at Bullhead City and Channel 272A at Mohave Valley, it still proposes first services to both Dolan Springs on Channel 289C and Mohave Valley on Channel 240A. Therefore, Mag Mile urges that Centennial's Modified Proposal, which includes these proposals, be granted.<sup>1</sup>

Accordingly, Mag Mile respectfully withdraws its proposal for Channel 274C at Dolan Springs, Arizona and consents to the substitution of Channel 289C at Dolan Springs and the modification of its station license and withdraws its proposal for Channel 272A at Mohave Valley, Arizona, and consents to the substitution of Channel 240A at Mohave Valley.

Respectfully submitted,  
MAG MILE MEDIA, L.L.C.

<sup>1</sup> While Mag Mile supports the substitution of Channel 289C for Channel 274C at Dolan Springs, Arizona and further urges the Commission approval of Centennial's Modified Proposal, in the event the Commission does not grant Centennial's proposal, Mag Mile requests as an alternative that Channel 274C be allotted at Dolan Springs and that the Commission modify Station KFLG-FM's license accordingly to specify operation on that channel.

**CERTIFICATION**

I, AARON P. SHAINIS, a Member of Mag Mile Media, L.L.C., pursuant to Section 1.420(j) of the Commission rules, hereby certifies as follows:

Mag Mile Media has withdrawn its expressions of interest in Channel 272A at Mohave Valley, Arizona and Channel 274C at Dolan Springs, Arizona, and has instead consented to the substitution of Channel 240A at Mohave Valley and Channel 289C at Dolan Springs. Neither Mag Mile Media, L.L.C., nor any of its principals, have received or will receive any money or other consideration in exchange for the withdrawal of its expressions of interest in Channel 272A at Mohave Valley and Channel 274C at Dolan Springs, Arizona.
