FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: EX PARTE
ET Docket 95-18

Dear Ms. Salas:

On October 29, 1999, Richard DalBello, vice president of government affairs for North America; Francis Coleman, director of regulatory affairs, and the undersigned, all representing ICO Global Communications ("ICO"); and Norman Leventhal of Leventhal, Senter & Lerman, representing the ICO USA Service Group, met with Bryan Tramont, legal advisor to Commissioner Harold Furchtgott-Roth, to discuss the 2 GHz mobile satellite service ("MSS") relocation issues. Specifically, the representatives' briefing focused on documents previously filed in the above-captioned proceeding regarding the proper level of compensation that would be paid to incumbent licensees requiring relocation from the 2 GHz spectrum.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, two copies of this letter are provided to the Secretary for inclusion in the record in the above-captioned proceedings.

Very truly yours,

Cheryl A. Tritt
