Re: Ex Parte Submission WT Docket No. 99-168

Dear Ms. Salas:

On behalf of Motorola, Inc., attached is an *ex parte* document that analyzes legal and policy issues surrounding the establishment of private wireless band managers in the 746-806 MHz band. This document is being served on multiple FCC officials as indicated on the attached service list. As such, it should be associated in the docket record of WT Docket No. 99-168.

Please contact me regarding any questions concerning this matter.

Respectfully,

Robert L. Pettit
Counsel for Motorola, Inc.
