Re: Ex Parte Applications for the Transfer of Control of MediaOne Group Licenses to AT&T - CS
Docket No. 99-251

Dear Ms. Salas:

On November 18-19, 1999, representatives from GTE met with To-Quyen Truong of the Federal Communications Commission's Cable Service Bureau in Clearwater, FL. The purpose of the meeting was to demonstrate a cable open access system. In particular, the Declaration of Albert Parisian, in appendix D of the comments filed by GTE on August 23, 1999, served as the focal point of our discussion. We also had general technical discussions on MMDS, xDSL, and set top box. GTE representatives at the meeting were Albert Parisian, Jeff Whittaker, Tom DeVries, and the undersigned.

Pursuant to Section 1.1206 of the Commission's rules regarding ex parte communications, please include a copy of this notification in the public record of the above-captioned proceeding. Please call the undersigned should you have any questions.

Sincerely,

May Y. Chan
