FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: Notification of Oral *Ex Parte* in ET Docket No. 95-18 and IB Docket 99-81

Dear Ms. Salas:

On December 10, 1999, on behalf of Celsat, I spoke by telephone with Chris Murphy and Howard Griboff of the International Bureau regarding the above-captioned proceedings. During the conversations, we discussed tentative staff proposals for relocation of incumbent users in the 2 GHz band and for service rules to govern the provision of MSS in these bands. On behalf of Celsat, I urged the Commission to incorporate into its proposals some method of reassigning unused MSS spectrum assignments to successful licensees, without the need for a subsequent processing round.

Pursuant to section 1.1206 of the Commission's rules, I am filing two copies of this letter. Please contact me with any questions.

Sincerely

Mark A. Grannis
