**RE: Application by New York Telephone Company (d/b/a Bell Atlantic – New York),
et al., for Authorization To Provide In-Region, InterLATA Services in New York,
Docket No. 99-295**

Dear Ms. Salas:

This letter clarifies one statement made in an ex parte filed by Bell Atlantic on November 30, 1999. In that ex parte, Bell Atlantic stated that the Department of Justice got its facts wrong in discussing the flow through percentage for unbundled element platform orders. The Department has pointed out correctly that the information was provided to it by Bell Atlantic. This information was provided by Bell Atlantic Telecommunications Industry Services Operations Center personnel based on a staffing requirement analysis.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Susanne Guyer".
