Washington, DC 20554

RE: Notice of Ex Parte Presentation: In the Matter of Access Charge Reform, CC Docket No. 96-262; Price Cap Performance Review for Local Exchange Carriers, CC Docket No. 94-1; Low-Volume Long Distance Users, CC Docket No. 99-249; Federal-State Joint Board on Universal Service, CC Docket No. 96-45.

Dear Ms. Salas:

Yesterday, in a meeting that Joel Lubin and I, both of AT&T, had with Kathryn Brown, FCC Chief of Staff, and Dorothy Attwood, Legal Advisor to Chairman Kennard, we discussed matters related to the referenced proceedings. In particular, we discussed the potential benefits to consumers, in the form of lower long distance rates and changes in long distance rate structures, of the CALLS access reform proposal. The statements of AT&T's representatives were consistent with AT&T's written submissions in the referenced proceedings.

Eight copies of this Notice are being submitted in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

cc: K. Brown
D. Attwood
