Dear Ms. Salas:

On February 8, 2000, Frank Gumper (Bell Atlantic) and I met with Larry Strickling, Chief of the Common Carrier Bureau, to discuss possible modifications to the CALLS proposal for universal service and access reform. Topics discussed included appropriate levels of local switching revenues, subscriber line charges and the recovery of universal service contributions provided for under the CALLS proposal.

As required by Section 1.1206(b)(2) of the Commission's rules, I am filing two copies of this notice for placement in the record for each of the proceedings identified above.

Sincerely,

cc: Larry Strickling
