Re: *Ex Parte* Submission
MM Docket No. 92-264 ✓
CS Docket No. 99-251

Dear Ms. Salas:

Pursuant to Paragraph 93 of the Commission's Third Report and Order, MM Docket No. 92-264, FCC 99-289 (released October 20, 1998), AT&T Broadband, LLC. ("AT&T", formerly known as TCI) hereby notifies the Commission that AT&T will shortly file FCC license transfer applications in connection with the following transactions: (1) AT&T's acquisition of various cable systems in California, Idaho, Oregon, and Washington from Chambers Communications Corp. and its affiliates; and (2) an exchange of cable systems in Michigan, North Carolina, and Virginia between AT&T and Adelphia Communications.

Based on available data, and assuming the most conservative interpretation of the Commission's current attribution rules, AT&T estimates that prior to the above transactions it was attributed with approximately 18,959,000 MVPD subscribers,¹ and after these transactions it will be attributed with approximately 19,036,000 MVPD subscribers.

¹ The 18,959,000 figure for current AT&T subscribers prior to the above transactions is taken from Table A in the *ex parte* letter that AT&T Corp. filed with the Commission on March 17, 2000 in the above-captioned proceedings.

No. of Copies rec'd 014
