Re: EX PARTE -- CC Docket No. 00-4 Application of SBC Communications Inc.  
Pursuant to Section 271 of the Telecommunications Act of 1996 to Provide  
InterLATA Services in Texas

Dear Ms. Salas:

On March 30, 2000, on behalf of MCI WorldCom, Inc., Jerry Epstein of Jenner & Block and I participated with other members of the industry in a debate before Commissioner Susan Ness, her legal advisor, Jordan Goldstein, and Jake Jennings of the Common Carrier Bureau on OSS, pricing and related issues involved in the pending application of SBC to offer in-region long distance services in the state of Texas. During the meeting, we discussed key issues that stand in the way of MCI WorldCom competing for customers in Texas in accord with our comments and other submissions.

In accordance with section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, an original and one copy of this Notice are being filed with your office.

Sincerely,

Keith L. Seat
