**TO: CHIEF, ALLOCATIONS BRANCH  
MASS MEDIA BUREAU**

**COMMENTS OF  
BRIAN COSTELLO**

Pursuant to the *Notice of Proposed Rulemaking*, released February 25, 2000 (DA 00-394), (“NPRM”) in the above-referenced proceeding, Brian Costello, by his attorneys, hereby submits Comments in support of his proposal to amend the FM Table of Allotments (47 C.F.R. § 73.202) to add FM Channel 292A at Jenner, California.

Mr. Costello filed the Petition for Rulemaking in this proceeding on October 28, 1999, and hereby incorporates the contents of that petition herein. Mr. Costello also certifies that, should the Commission grant the proposed amendment to the Table of FM Allotments, he will apply for the allotment and, if authorized, will construct the facilities promptly.

The NPRM raised an issue with regard to the petition that requires further discussion. Specifically, the NPRM requested additional information establishing that Jenner, California is a “community” for allotment purposes. As discussed below in more detail, Jenner has several of the accepted qualities of a “community” for allotment purposes, and therefore, qualifies for the

allotment. On the basis of this showing, Costello urges the Commission to adopt the Petition, and allocate Channel 292A to Jenner, California as its first local service.

Section 307(b) of the Communications Act, 47 U.S.C. § 307(b) directs the Federal Communications Commission to distribute licenses “among the several States and communities.” *Id.* The Commission has interpreted this statutory provision as to require it to determine whether a particular proposed locality qualifies as a “community.” In doing so, the Commission presumes that, if a locality is incorporated and listed in the U.S. Census, it qualifies as a “community” for allotment purposes. In those cases where neither qualification is met, the Commission will require the petitioner to demonstrate that the locality “is a geographically identifiable population grouping.” *Kenansville, Florida*, 10 FCC Rcd 9831, ¶ 12 (1995). Both objective and subjective evidence is required to establish the existence of a community. *Id.*

For example, the Commission has looked to such objective factors as the existence of political, commercial, social and religious organizations and services, along with subjective factors, such as the a common perception among the community that “the residents function as and conceive of themselves as residents of a community, around which their interest coalesce.” *Gretna, Marianna, Quincy and Tallahassee, Florida*, 6 FCC Rcd 633, ¶ 5 (1991), to determine whether a particular locality will qualify as a “community” for allotment purposes.

As detailed in Costello’s Petition, the *2000 Rand McNally Commercial Atlas and Marketing Guide* reports that there are 200 residents of Jenner. *Exhibit One*. In addition, as indicated on page 3-176 of the Directory, Jenner is listed as being assigned its own post office, and the Zip Code of 95450. *United States Zip Code and Post Office Directory*, 1999 edition. *Exhibit Two*. The County of Sonoma has established a local fire station in Jenner, whose service is complimented by the Jenner Volunteer Fire Department. *Exhibit Three*. Additionally, as further evidence of Jenner’s

“community” status, attached as Exhibit Four are photographs of United States Department of Transportation highway signs relating to the exit for Jenner.

There also are a substantial number of local businesses that serve the residents of Jenner, including:

BUSINESS	ADDRESS	CITY	ZIP
Bridgehaven Campground	9965 Hwy 1	Jenner, CA	95450
Fort Ross Lodge	20705 Hwy 1	Jenner, CA	95450
Jenner by the Sea Restaurant	10432 Hwy 1	Jenner, CA	95450
Jenner General Store and Gas	10438 Hwy 1	Jenner, CA	95450
Jenner Inn and Cottages	Hwy 1	Jenner, CA	95450
Jenner Playhouse and Repertory Theater	10432 Hwy 1	Jenner, CA	95450
Jenner Visitors Center	10439 Hwy 1	Jenner, CA	95450
Jenner Volunteer Fire Department	P.O. Box 9	Jenner, CA	95450
Jones Rentals	20850 Hwy 1	Jenner, CA	95450
Miss Amy’s House – Ocean Properties	10470 Willig Dr.	Jenner, CA	95450
Rivers End Inn	11050 Hwy 1	Jenner, CA	95450
Rivers End Restaurant	11048 Hwy 1	Jenner, CA	95450
Salt Point Lodge Grill and Inn	23255 Hwy 1	Jenner, CA	95450
Seacoast Hideaways	21350 Hwy 1	Jenner, CA	95450
Seagull Deli and Restaurant	10437 Hwy 1	Jenner, CA	95450
Seagull Gift Shop	10439 Hwy 1	Jenner, CA	95450
Sizzling Tandoor Cuisine of India	9960 Hwy 1	Jenner, CA	95450
Stillwater Cove Ranch Conference Center	22555 Hwy 1	Jenner, CA	95450
Timber Cove Inn	21780 Hwy 1	Jenner, CA	95450

As is apparent from this list, at least six business organizations in Jenner directly identify themselves as part of the community by including “Jenner” in its business title.

Finally, there is at least one local community organization, the Jenner Community Club, which has been in existence since at least 1959. The Club’s stated purpose is:

to encourage understanding of the issues important to the community and to engage in activities to benefit the community. In support of these prupose we promote: the advancement of education, the improviement of health and the welfare of the residents of the area and the relief of poverty.

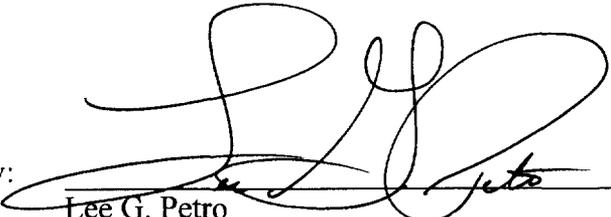

To this end, the organization holds monthly meetings and an annual festival (“The Wale of a Gala”) each Labor Day. *Exhibit Five*. Therefore, it is clear that Jenner contains many of the objective and subjective elements of a “community” required by the Commission for allotment purposes.

### CONCLUSION

The proposed allocation at Jenner, California will satisfy the requirements of Section 307(b) of the Communications Act, and the new station will provide the first local service to Gaviota and the surrounding community. Thus, Brian Costello respectfully requests that the Commission grant his Petition for Rulemaking, and allot Channel 292A at Jenner, California.

Respectfully submitted,

**BRIAN COSTELLO**
