Re: **ET Docket No. 99-231,**
Amendment of Part 15 of the Commission's
Rules Regarding Spread Spectrum Devices
— Correction to Ex Parte Filing

Dear Ms. Salas:

I am filing the original and one copy of this letter on behalf of the Wireless Ethernet Communications Alliance (WECA) to correct an earlier report of an oral *ex parte* communication in the above-referenced proceeding.

On April 10, I reported a meeting that occurred earlier the same day among Julius Knapp, Karen Rackley, and Neal McNeil of the Office of Engineering and Technology, Jim Zyren of Intersil Corporation, Donald C. Johnson and Susan E. McNeil, Esq., of Lucent Technologies, and the undersigned. I attached a paper whose substance formed the basis of the oral presentation.

Table 7.0-1 on page 15 of that paper, titled "Summary of WECA WBFH Proposal," contains a typographical error. The line designated "Minimum Channel Width" should instead read "**Maximum** Channel Width." WECA apologizes for the error.

This correction addresses the issue raised in an April 12 letter from Henry Goldberg, attorney for Proxim, Inc., to Dale N. Hatfield on, at page 2 note 1. WECA is preparing a response to other issues in Mr. Goldberg's letter.

Kindly date-stamp and return the extra copy of this letter.

If there are any questions about this filing, please call me at the number above.

Respectfully submitted,

Mitchell Lazarus

Counsel for the Wireless Ethernet Compatibility Alliance
